***"What your puppy experiences  
in the first 6 months will  
shape the way your dog sees and  
interacts with the world  
more than at any other time  
in their life."***

These critical months will determine  
how your puppy:

- Behaves in public
- Expresses needs and wants.
- Finds a place in your family
- Adapts to the stresses and demands of your busy family

## **Chase's Hollow**

is devoted to facilitating a happy transition of a well behaved puppy into your loving home. We are dedicated to creating a positive experience for the puppy during the challenging and critical first stages of growth.

### For the Puppy:

1. House & Crate Training
2. Socialization
3. House Manners
4. Basic Obedience

### For the Family:

1. Education on training methods and tips for happy pet ownership
2. Identifying common misconceptions that will undo or negate the training that is established
3. Ongoing support for behavior issues and training goals for the life of the dog.
4. The Puppy Primer: A step-by-step learning tool for daily reference and to track your successes.
